We LOVE Our Athletes!
We are so proud of every single athlete who participated in this year’s San Diego Senior Games. Women were fierce this year with a team of more than 40 spiking, serving, and digging on the volleyball court and a wildly successful Rookie Basketball Tournament. For their part, several men left previous records in Track and Field in the dust, proving that we can always create a new best. You continue to show us the Games are about so much more than just the sports. They’re about the life-changing personal journeys that inspire us all!

Thank You Sponsors and Partners!
Our incredible Sponsors and Partners make athletic dreams come true every year, and we could not be more grateful for their support. Thousands of women and men over 50 are setting and surpassing new goals each year, forming lifelong friendships, and earning a new sense of self and pride thanks to your generous contributions.

Our Volunteers Rock!
Volunteers who donate time and energy literally make this event run. If you worked on a computer or along the sidelines, we are grateful for YOU! The 2019 games are around the corner and we need new and returning volunteers alike. Join the fun by visiting: SDSeniorGames.org/Volunteer.

Our Bright, Active Future!
Like any athlete, we started out small and persisted to get to where we are. Thank you for the glimpse of the winning future that’s in store for the San Diego Senior Games!
The SDSGA is proud of our fabulous relations with the city of San Diego. Our goal is to grow the Games and our year-round programs to bring a fun, active, and healthy lifestyle to EVERY senior in California!

State Championships in 2019!
The San Diego Senior Games is proud to host the California Senior State Championships for 2019 and 2020! Archery, Badminton, Tennis, Cycling, and the Triathlon will all be making comebacks, so don’t lose touch.

Welcome New Board Members!
Please welcome Charles Johnson and Susanne Carvalho to the SDSGA Board of Directors. Charles is a vibrant man who loves cycling and can’t wait to be fifty in order to join the Senior Games! After years in the military, he has found his calling in the senior healthcare industry.

Susanne is energetic and passionate. As the former director of the Senior Women’s Basketball Association (SWBA), she has the experience and ability to bring senior sports to a higher platform.
From inventing one of the most comprehensive and robust fire risk mitigation programs to help protect people, to building an advanced weather network to better prepare for extreme weather events, and investing in innovative technologies and equipment to mitigate the effects of climate change – we’re dedicated to taking care of our community, and the planet we all share.

Congratulations to the dedicated men and women of SDG&E®, IBEW, CAL FIRE and others who made this award possible.
