JOIN US for a panel discussion and Q & A focusing on a different sport each month. February's topic is pickleball, one of the most popular and fastest rising sports in the senior community. Program will be moderated by George Avery, pickleball tournament director, event promoter, ambassador, technical rep and coach. Panelists to be announced. Get tips from the experts on how to keep mentally and physically fit in pickleball and in life. Co-presented by the California Senior Games Association.
